Immersive Theatre & Circus Dining Experience

Christmas with a twist...

Fairytale of Bristol returns after a sell-out 2022 season, once again transforming Bristol's Loco Klub into "Santarini's" - a secret subterranean speakeasy where the booze is chilled, the food is fabulous and the entertainment is exceptional!

From the moment you arrive, you're a part of the narrative - a classic whodunnit with rumours of a snitch! Larger-than-life characters lead you through a story of intrigue that reveals over dinner, culminating in a spectacular, circus-soaked finale!

Fairytale of Bristol is a uniquely-Bristolian, fun and memorable Christmas party - so slide into "Santarini's Speakeasy" for one memory-maker of a night...
